*Change is something we all must go through at some time or another. Learning how to make these changes can be a difficult path, but Sharmen Lane's book *The 7 Secrets To Creating Your Fate* is a welcome gift to help in this process. Her instinctive feel and deep understanding for the ways in which we can create our own fate, to choose our destiny, is a beautiful addition to any self-help library.*

Jacqueline Wales, author, speaker and coach

*I have read Sharmen Lane's book *The 7 Secrets to Create Your Fate*. I have to say, Sharmen Lane is a dynamo, a woman who lives by her words and by doing so, inspires people to stop being fatalistic, and create the life that each individual dreams of with practical DO-ABLE steps both physically and mentally. Brava Sharmen Lane!"*

Quinn Lemley, entertainer, producer

Sharmen's book "The 7 Secrets to Create Your Fate" is a wonderful tool to guide you through the steps necessary to reach your goals. Even though I know some of the things to do, this book provides the clarity to help me focus on each item one at a time. Shar's book makes this process comfortable and simple while inspiring me to move on to accomplish anything I set my mind to.

Tracy Scott, Business Consultant

Sharmen brings the tactical real world steps that every day people can apply to their daily lives that, Sharmen's methods are not about painting grandios ideas, or plans, that may be outside of reach, rather Sharmen offers personal experiences and tangible steps to apply to your life each and every day, which undoubtedly allow us to create our own fate.

Sean Stanton, Director of Alliances and Business Development

"Life has rules. We deny them at our own peril. Sharmen Lane reminds me to channel my creative power to achieve the potential I deny by inaction. It's true on the farm; it's also true in life: one only reaps what one sows. Choices made are what remain."

Kathryn Seel, Regional Business Leader, Doncaster
